

Huawei Y300 Battery Replacement

This is a guide that will show you how to replace the battery.

Written By: Anthony Ng

INTRODUCTION

This guide will show you how to replace the battery. The steps are very short and simple that everyone can change the battery.

Step 1 — Rear Cover

- Remove the rear cover at the back by pulling the gap located at the bottom of the phone.

Step 2

- Lift up and remove the battery for replacement.

Step 3 — Replace The Battery

- After the battery is removed, replace the battery
- Make sure the battery sits correctly by locating the power output at the bottom left.

To reassemble your device, follow these instructions in reverse order.
